## Physical Therapy

At Mercy, our excellence in Physical Therapy is part of an integrated, multidisciplinary department. Here, our employees partner with patients, family and staff to provide comprehensive evaluation and treatment. We are proud of our breadth and depth of care – with specialized courses of treatment for patients with orthopedic, neurological and muscular/skeletal impairments, as well as treatment of cardiopulmonary and complex medical conditions. It's a commitment to excellence that empowers you to do your very best work. Join Mercy today and have a ball!

Benefits

Facilities

Opportunities

## Benefits

At Mercy, we are as committed to our employees as we are to the communities we serve. That's why we're proud to offer a suite of benefits designed to care for you and your family. We also provide continuing education opportunities and training resources to help cultivate your career.

Health and well-being

• Employee

Additionally, each facility offers specific benefits, which may include:

- Tuition reimbursement
- Employee referral program
- Bus passes
- Car pool/commuter incentives
- Cafeteria discounts
- Direct deposit
- Credit union membership

## Facilities

Our facilities offers a full range of healthcare services, but throughout the family of hospitals, you'll find centers of excellence ranging from cardiovascular and stroke care, to orthopedics and women's healthcare. Find your center of excellence at a facility near you.

## Opportunities

A commitment to excellence thrives in its shared pursuit. At Mercy, you'll find a collaborative and patient-focused approach in every discipline of care. Join us today.

### Nursing

Enjoy a full spectrum of nursing specialties — from Emergency to Pediatric — every specialty in between — plus a supportive environment for your mind and soul.

## Community

Located in the heart of California, Sacramento and its surrounding communities offer the blend of small town charm with cosmopolitan energy. With Sacramento itself as the hub, you'll enjoy an idyllic, family-friendly world at every turn. Imagine, international cuisine and culture matched with tree-lined streets and small shops. All interspersed with parks, trails, excellent outdoor activities and the comfort of feeling at home.

Over the years, our hospitals have evolved, but our mission has remained the same: to promote healthy communities. To that end, we collaborate with businesses and non-profit agencies to reach the more vulnerable populations in the communities we serve. Some of our community outreach programs include:

**Community Events** – Our hospitals and employees dedicate their time and resources to support numerous community events like the Komen Race for the Cure®, Rebuilding Together and Relay for Life.

**School Nurse Program** – Provides free state-mandated health screenings, health services and first-aid supplies to low-income, underserved children attending several Sacramento-area Catholic elementary schools.

**Healthy Families** – Strives to improve the health of children in Sacramento by increasing access to low- and no-cost healthcare.

**Mercy Health Ministry** – An interfaith health ministry program advocating health promotion and disease prevention through faith communities.

**Perinatal Recovery Network** – Provides services to low-income pregnant and postpartum women with substance abuse to help them overcome their addictions and deliver healthier babies.

**Trauma Prevention Program** – Provides outreach, education and safety equipment to parents, caregivers and children to prevent unintentional injury and death to children.

**CHW Community Grants Program** – Provides grants to local and non-profit organizations to support Mercy's mission to care for the poor and underserved.
